Web Development:	HTML5 | CSS3 | JavaScript | React.js | Next.js | Node.js
Tools:	Git | GitHub | Visual Studio Code | APIs | Firebase | Sanity
Soft Skills:	Ability To Work Under Pressure | Decision Making | Adaptability | Problem Solving | Time Management

Career Highlights

Project Manager   2021 – Present

Craft and author website code with programming languages such as JavaScript, HTML, and CSS. Incorporate applications, graphics, audio, and video clips into client websites. Create tools to enhance user's website experience while ensuring websites accessibility across many platforms, including laptops and mobile devices.

Key Projects:

COVID Tracker | Live Demo | View Code

- Employed APIs to retrieve real-time COVID statistics worldwide and latest articles from multiple sources.
- Planned and executed strategic data visualization approaches using Leaflet and Chart.js.
- Spearheaded project delivery via tactical deployment of Firebase.

Twitter Blockchain App | Live Demo | View Code

- Implemented Metamask for user authentication.
- Created smart contract in compliance with ERC-721 standards by using Solidity and OpenZeppelin.
- Utilized Pinata and Context APIs to mint and retrieve user NFTs.

Disney+ clone | Live Demo | View Code

- Added user authentication (Google, etc.) to secure sensitive information by leveraging Firebase.
- Created and applied Firestore as a database while adopting Redux to fetch data from said database.
- Integrated slick carousel and styled-components for better design and user experience.

Store Landing Page | Live Demo | View Code

- Built mobile-first, fully responsive website, and increased navigation interactivity with JavaScript.
- Enriched user experience by adding Light/Dark mode and responsiveness.
- Employed usability-oriented features such as scroll-top, accordion style for questions, and more.

Education

Bachelor of Science in Industrial Engineering | Technological Institute of Buenos Aires, Buenos Aires, Argentina, Expected: 2024
Web Development – Ongoing | The Odin Project | Self-taught

Languages

English, Proficient | **Spanish,** Native
